

**FRANK A. CICCONE**  
Financial Administration and IT Operations Executive  
& Business Systems Consultant

Frank A. Ciccone is a results-oriented, people-focused Finance & IT Executive with extensive Manufacturing Industry experience. He is proficient at establishing business relationships, working effectively with individuals and groups, and acting as liaison between a company, its internal staff, external vendors and clientele.

Since 2002, Frank has been a Business Systems Consultant, where he integrates financial and accounting practices, business concepts, policies and systems into the order-chain flow of small and medium-size manufacturing companies.

He is skilled at hands-on project management, problem solving, and the development & implementation of new methods and procedures. During his nearly 30-year career, he has earned a reputation for being the “orchestra leader” who brings everyone together, and for developing the potential of existing organizations.

Frank has been the Treasurer for APICS Long Island Chapter for four years, and President of the Tall Club of Long Island for 2 1/2 years.

Frank earned a B.B.A. in Accounting & Finance from Pace University.
