

**JOHN BOYKO**  
Managing Partner, Summit Business Solutions

John Boyko is nationally recognized authority on Lean Enterprise who helps businesses grow and gain competitive advantage through the application of Toyota Production System strategies, Baldrige Process, Business Process Re-engineering and Kaizen Workshops. He has lead Lean Enterprise initiatives, conducted countless training sessions and facilitated numerous Kaizen events.

John shows his clients how to improve productivity, increase worker morale and transform stagnant business models. His Lean Leadership program helps executives deploy a top-down strategy of process improvement. Organizations that applied his 12-STEP FASTER-Kaizen™ system have saved millions of bottom-line dollars and improved customer satisfaction.

A graduate engineer with degrees in Mechanical and Manufacturing Engineering, John is also a Certified Lean Manufacturing Specialist with the National Institute of Standards & Technology (NIST).

In 2005, John was appointed by the United States Department of Commerce to the Board of Examiners for the Malcolm Baldrige National Quality Award where he continues to serve. This prestigious award is presented each year by the President of the United States and is the nation's highest honor for business excellence.

John is a Managing Partner at Summit Business Solutions, Inc., a leading consulting and training organization that provides profit enhancement strategies, and professional education programs for industry.

In addition to his position at Summit Business Solutions, Mr. Boyko is also an accomplished speaker whose keynotes and lectures focus on Organizational Development, Process Improvement and Leadership. His audiences describe his workshops and presentations as motivating, humorous and practical.
